Mr. Merritt,

Over the course of the past few months, you have sent City officials and staff dozens of emails. Your correspondence is beyond the scope of standard government and citizen communications and has reached the level of harassment. Given your past attempts to threaten and intimidate City personnel, effective immediately, any future emails from you to City staff and elected officials will not be delivered to City email addresses. This ban will last for a period of six months. This ban does not prevent you from contacting City staff or elected officials for routine City-related business via other means (i.e., letter, telephone, in person, etc.)

Please take notice and govern yourself accordingly.

Thanks,

Matthew S. Brick
