I respectfully submit these questions for your review:

1. Is Story County, IA, a sanctuary for the concealment of children from court-ordered appearances to provide their testimony regarding allegations of sexual abuse utilized to conceal them. (Iowa Code Chapter 720.4)
2. Is Story County, IA, a sanctuary for the concealment of children from their legal counsel appointed by the court having jurisdiction after these children failed to appear to court-ordered appearances to provide their testimony?
3. Is Story County, IA, a sanctuary for the concealment of children from their father that conspirators had no legal right or moral justification for concealing them from. (Iowa Code Chapter 598.1)
4. Is Story County, IA, a sanctuary for those involved in an interstate conspiracy to conceal children from the court having jurisdiction in accordance with the Uniform Child Custody Jurisdiction and Enforcement Act (UCCJEA). (Iowa Code Chapter 706.1)
5. Is Story County, IA, a sanctuary for those that emotionally and psychologically abuse children with allegations of sexual abuse that Honorable Judge Miller of San Diego East County Superior Court Department 5 documented on 16 SEP 2021, there is no evidence to support while these conspirators continue to interact with their victims to this day?

I respectfully request answers to these questions because if you do not tolerate this kind of activity in Story County, IA I respectfully ask why has Police Chief Huff of the Ames, IA Police Department taken no action since I reported this situation with over 1000 pages of evidence in December 2020. Why are Police Chief Huff and Ames, IA City Attorney Mark Lambert refusing to provide original records that have been "stored or preserved" regarding this case and related cases initiated by these conspirators while attempting to criminalize me?

I respectfully request an answer to why your jurisdiction has turned a blind eye to those involved in a conspiracy to conceal children from court-ordered appearances (while utilizing allegations of sexual abuse San Diego East County Superior Court documented on 16 SEP 2021 there is no evidence to support) that:

1. Coordinate field trips for State of Iowa public school children across the state of Iowa to attend Iowa State University's Reiman Gardens.
2. An individual who claims on social media to have previously worked for the Federal Bureau of Investigation and is Clown College alumni.

I am respectfully requesting, in accordance with Iowa Code Chapter 22, any records your agency has regarding the following

cases generated in your jurisdiction:

Case#: 20005016

Case#: 20005368

Case#: 21005052

I am making this request because I want to know if you stand in the light or if you stand in darkness with Ames, IA Chief of Police Huff. I live in the jurisdiction of Jasper County, IA led by Sheriff John Halferty. In the jurisdiction I live, I have found that the integrity and transparency of the County Sheriff far exceed that of the local Chief of Police. I want to know if this paradigm is consistent in your jurisdiction before I take the City of Ames, IA, to civil court to enforce my rights in accordance with Iowa Code Chapter 22 regarding access to records that have been "stored or preserved" that show information that Iowa Code Chapter 22.7(5) articulates can not be kept confidential according to this section regarding why Ames, IA Chief of Police Huff chose to do nothing regarding the above issues reported to his agency in December 2020.

This Iowa Open Record Request and related questions are being served in accordance with Iowa Code Chapter 22.4.
