Matt Behrens / matt.behrens@iowa

Other Persons having information

Iowa Public Information Board Executive Director Eckley

This disgraceful evidence showing leading officials of the State of Iowa failing to respond to a public records request is either evidence supporting Eckley's statewide attempt to criminalize and discriminate against the originator of this complaint, negligence, or the State of Iowa's refusal to adhere to its own laws. At the same time, shows no concern or regard for those they allegedly lead or represent.
