**Mc Meritt:**  
 After reviewing your request, my best estimate is that it would cost between \$236.73 and \$404.14 to fulfill your request. These records need to be reviewed for confidential information, so the actual cost will depend on how much can be reviewed by a staff member and how much of it needs to be reviewed by an attorney. The documents would be available to you as hard copies which could be picked up or mailed. The estimate is for review time only, there will not be a printing fee for this request.  
 Please let me know if you have questions. If you want us to proceed with providing the records, please let me know by responding to this email.
